What Is **hundredx**[®] ?

A way to earn money for the band with no out of pocket spending, by completing quality brand reviews.

(OK, let's call it what it is - we get paid to do surveys!)

Why Should You Participate?

- Earn \$1.60 per review
- 75 qualified brand reviews
- \$120 total value per person
- Over 3,000 companies and brands to review
- Each review takes between 60-90 seconds
- It's SUPER EASY, the easiest fundraiser of the year

Who else can we get to help?

- Open to anyone 18+ living in the US
- parents, grand-parents, aunts/uncles, cousins, friends, co-workers, etc..

The Problem with Surveys

- With HundredX - there isn't one
- Your reviews do not pass along any personal information like your name, email, phone number
- While that info is collected during signup, only your demographic data is passed on to the companies you review
- Your name will not be sold to these companies
- You will only ever get communication from HundredX during our campaign month
