Other rehearsal locations include the "South Practice Field" during marching season, the Sherando Auditorium, and Gymnasium for various other times of the year depending on the performance season.

COMMUNICATION

For such a large organization, communication is key from staff to students/parents AND students/parents to staff. All key dates and events are listed on the Band Calendar on the Band website, well in advance: <https://www.sherandoband.org/>

Students also have access to Google Classroom where announcements, assignments, and resources are listed. The weekly Sherando Band Newsletter also includes key dates/events, volunteer opportunities, etc.

We will be utilizing the ParentSquare App for the 2025-2026 school year for both students and parents. Here are the links to join the various band groups for students and parents:

STUDENT EXPECTATIONS

From the support of the community, SHS administrators, SHS Band Boosters, we are very fortunate to have the staff, instruments, uniforms, volunteers, trailers, etc. in order to be successful. Being involved in any Sherando band organization is a privilege. We must take pride and responsibility in caring for and maintaining the condition of all of these things. Simple things, like keeping instruments in their cases and stored in lockers to cleaning off your marching shoes/uniforms will assist in the longevity of our belongings. As a member of the band organization, you are not only representing yourself, but Sherando High School and its community. Respecting others, uniforms, and instruments/equipment is a must, especially while in uniform.

Students must abide by the FCPS Student Code of Conduct. Some examples are as follows: no swearing, making lewd comments, acting provocatively, PDA, violating bus safety rules, bullying, vandalizing school-owned or other's personal property, etc. These behaviors will not be tolerated and will be immediately presented to school administration. Poor behavior could lead to that student not being allowed to participate in any band activities.

As listed in the attendance section, communication is key to our success. We encourage you to participate in multiple activities while you are here at Sherando; however, there must be clear, advanced communication in order to succeed. We provide schedules to you as early as we can. Please take the time to review and manage your time accordingly. Anything missed in a class/rehearsal must be made up prior to the following rehearsal. Please reach out to a section leader or staff member to assist, if needed.

MARCHING BAND PREPARATION

Students are expected to learn and review all musical warm ups and show music over the summer before band camp. These documents will be posted on the Sherando Band website prior to the end of the preceding school year. We will review and continue to perfect throughout the fall season.

Marching band has become more and more physically demanding over the past few years. All instructional practices/performances are created to encourage and strengthen our members mentally and physically. We will be including stretching, conditioning, and movement to continue to eliminate injury, improve flexibility, stamina, and overall health. There are things outside of the school day/rehearsals that can assist with this such as eating healthy, staying hydrated, and stretching at home.

If you have a preexisting injury, please notify us. If you are hurt during a rehearsal, please notify a director immediately. We will take the necessary actions needed to ensure the member does not increase the injury.

Band Camp/Rehearsal Prep List

- Athletic workout clothes (no jeans) & abides by FCPS dress code
- Supportive closed-toe shoes and socks for marching—Vans & Converse not recommended (not enough support). No Crocs!
- Hat/sunglasses (you will be in the sun much of the time)
- Water bottle
- Fully charged phone (to access UDB and music)
- Sunscreen/Bug spray
- Enthusiasm!!!!!!!

ATTENDANCE

Attendance for rehearsals (including band camp), competitions, performances and Tag Day are required. Absence forms available on the Sherando Band website or from the band assistant.

- **PERFORMANCES** – Please submit 4 weeks before the event.
- **REHEARSALS** (outside of school hours) – 2 weeks before the event.

If a student has an unexcused absence the last school day before the weekend, or is absent multiple days—excused or unexcused—within the same week, they will not be allowed to perform in the weekend’s performance(s). This includes an unexcused absence from a Wednesday rehearsal.

Work or non-sponsored Sherando events are not excused absences even within the 2 week rehearsal/4 week performance period. Please communicate your scheduling needs with your employer ahead of time. An emergency absence will be handled on a case by case basis. Nonparticipation in weekly rehearsals could also result in students not performing in the weekend’s performance(s).

Sherando High School Policy Statement on Student Participation in Multiple Activities:

School policy states that students who participate in more than one Sherando sponsored activity that occur at the same time are permitted to choose which activity they will participate in, and this does not always follow the 4 week/2 week policy. Every effort should be made to plan well ahead, and communication with directors/instructors well in advance will only help everyone involved.

GRADES

Student grades are based on attendance and participation. Participation grades are taken only during school day class time. Some reasons for deducting points within this time period are as follows: tardiness, sitting out half or majority of class time without a doctor's note, not knowing individual music or visual responsibility, playing out of turn, talking or general disruptions, including phone use.

Points will be deducted on rehearsal/performance days for the following: failure to submit an excused absence form within 2/4 week time frame or tardiness.

Points breakdown listed below:

Band Camp 100 pts each week

Class Rehearsals 20 pts each week

Saturday Rehearsals 50 pts each

Wednesday Rehearsals 20 pts each

Parades 50 pts each

Football Games 100 pts each

Competitions 100 pts each

Playing Assignment 100 pts each

There will be 2 individual playing assignments given through the marching season and concert season. Students will be graded on memorization and playing (tone & tempo) ability. A rubric will be distributed prior to the due date. Alternate assignments may be given for any missed performances due to excused absence, lack of payment, or ineligibility to travel. This will be handled on a case by case basis.

SHADOW SYSTEM

The shadow system is in place to fill in for students who are absent and/or continuing to develop their music and visual skills. The purpose of this system is to hold each individual student accountable as well as give students time to enhance their individual performance skills.

Shadow positions will be eligible to perform in all football games, parades, and any additional exhibition performances. They will march in competitions if they are filling an absent position or stand-still playing at the front of the field. Students in shadow positions will be assigned a member of their section to shadow that is determined by band staff. They will rotate and learn this position–music, drill, and visual movements– during band camp and rehearsals. During rehearsal weeks of a competition, the student will either fill an absent spot or will rehearse on the sideline. This will be communicated to student shadow positions as soon as absent forms are turned in.

Shadow positions are based on the following: **A**ttendance, **A**ttitude, and **A**chievement. Any student is eligible to be or become a shadow based on the A-A-A system.

STUDENT LEADERSHIP OPPORTUNITIES

Band Officers

These roles are nominated by other students within the band each year. They will represent the students of the band department in Booster meetings and assist the director in any student-ran duties. Role duties are listed below.

President: Lead student executive for the Band Department, connects the Band Boosters to student membership, attends Booster meetings, works collaboratively with the Band Director on a variety of tasks as needed, etc.

Vice President: Same duties as Band President, assists President in any way, etc.

Secretary/Social Media: Helps promote the band through social media platforms, other media platforms, works collaboratively with other band officers to help organize band executive board topics, attends Booster meetings when able, works collaboratively with Band Director on a variety of tasks as needed, etc.

Historian: Creates slideshow of Senior photos and other photos for year-end Band Awards Banquet, attends Booster meetings when able, works collaboratively with Band Director on a variety of tasks as needed, etc.

Section Leaders

Section leaders comprise a crucial element of the success of the band. These students are leaders working directly with students to ensure their success in all aspects of band membership and consistently modeling the highest of expectations. Generally, each section has a section leader (or 2-4 in the case of large sections). However, in cases where sections are too small or contain no interested/eligible candidates, sections may be combined under a single leader (i.e. low brass, high brass, etc). The exact number of leaders is determined by a combination of band enrollment and those who apply.

To be eligible for the position of section leader, applicants must be a rising sophomore or older, a member of the Marching Band at least one year at SHS, and be a student in good standing—grades and behavior. They must complete the application form, undergo an interview process with band staff, as well as submitting 2-3 teacher/employer recommendations by the deadline given. They must also be up to date with any outstanding band fees. If a section leader is not meeting band/school standards and expectations, they may be removed from the role. Section leader selection is determined by the band director with input from the adult marching band staff.

TRAVEL POLICY

To ensure the safety of our band students, we have a policy that we are asking you to follow if you want to drive your student(s) home with you from band events/competitions instead of them riding the bus back to the school. Please do the following:

1. Send a physical note that says you are taking your student with you instead of them riding the bus. (Preferably ahead of time so we can make bus chaperones aware in advance, but the day of, will be accepted.)
2. You or your student must tell the bus chaperone that they are leaving with you.
3. Your student must make arrangements to make sure their uniform and/or instruments gets to where it needs to be.
4. Band staff must see the student leave with you! This is non-negotiable, and we cannot hold the buses if they are late

Per SHS admin, students can only be released to THEIR parent/guardian. Adults cannot take any student with them that does not belong to them. No exceptions.

SPRING TRIP

The spring trip is an opportunity for students/staff/chaperones to enjoy the performing arts together outside of a competitive environment. The majority of trips are traveling in the month of April. Every year varies on what activity we do such as attending a theater production, traveling and exploring a large city, to a performance opportunity. Students will be informed approximately 2-6 months prior depending on the volume of the trip. All students must have any outstanding band fees paid prior to a trip deposit being due.

WORD TO PARENTS

Without our extremely dedicated Band Boosters and volunteers, it would not be possible for our students and program to be as successful as they are each and every year. As a parent of a student in the Band Program at Sherando, you are automatically a part of the Band Boosters organization, whether you are in a board position or not. There are many ways for parents to be involved in the program, both large and small, and you are encouraged to be as involved as your schedule allows. We utilize Sign Up Genius that can be accessed from the Band Newsletter and band website to sign up for roles. Volunteering and supporting our student-musicians and performers at Sherando gives you a wonderful and unique opportunity to positively influence the lives of our students and help them to enjoy an unforgettable experience as a Sherando Warrior!
