

Sherando High School Color Guard 2025

Color Guard is a team sport. It allows students to work with their peers, challenge themselves, enhance their communication and time management skills, and entertain audiences of all kinds. Through dance, flag, rifle, and sabre choreography, color guard performers in grades 8 through 12 will tell a visual story—while competing with other Virginia marching band programs.

The Sherando High School Color Guard program has been active since 1993. The program has continued to grow throughout the years. The 2025 Winter Guard program placed in the top 3 at each competition they attended and placed 6th out of 11 groups in their new class, CGSA2 at championships. The winter guard has reclassified into a new class the last 4 years. We participate in multiple events throughout the entire year such as:

- Apple Blossom Parade & Festivities
- Guard/band camp
- Fall Contest Season
- Home Football games
- Winchester & Middletown Holiday Parade
- Winter Guard Contest Season

Attendance

We are offering Color Guard as a Co-Curricular Activity. It is NOT mandatory to be enrolled in the class to participate in the fall or winter seasons. Those participating in the band class will be held to the same attendance requirements as other courses. The grade for Color Guard members in the band class is solely based on attendance. Class time will be utilized for individual rehearsal time and equipment preparation. Evening rehearsals are used as group rehearsals.

Evening and weekend rehearsals are **required** by all members (those that are AND are not in the class). These rehearsals are used for an ensemble perspective such as learning movement and equipment technique, new choreography, and editing any show design concepts.

Please fill out the Google absence form for ANY absence (tardiness, early departure, or full missed rehearsal):

2025 Fall Absence Form

Work is not an excused absence. Please inform your employer of the rehearsal and performance schedule. **If a student has one unexcused or two excused absences from a rehearsal within a one-week period, they may not be allowed to participate in that week's performances.** If a student has missed a rehearsal, excused or unexcused, it is their responsibility to make up what was missed. Any absence issues will be dealt with on an individual basis.

Attendance for performances are required. These include all competitions and local parades occurring in the winter season. Calendars are given in April to help prepare for the upcoming season. Below are a few other **required** events:

- Evening Rehearsals
- All Home Football Games
- All Saturday day camps & Tag Day
- All Saturday contest days
- Holiday Parades throughout the season

Color Guard is a team sport. Our time together is valuable. We rely on one another and hold each other accountable. In order to grow as a team, we must all be present and attentive.

Rehearsals

Being on time is arriving 10 minutes early. Being on time is late. Being late is unacceptable. Please arrive at rehearsal and **be ready to begin at the noted time.** Our time together as a team is valuable. Lateness can result in individual or group consequences such as running laps or push-ups.

A normal rehearsal consists of about 20 minutes of body warm-up and movement, 20-30 minutes of equipment technique, and the rest of the time will be working on show content. Day camps will be predominantly learning drill and choreography for the fall show and offer some leadership and group activities.

Etiquette

- Open mind & positive attitude
- Holding yourself accountable
 - **Punctual**
 - If you are struggling, make time outside of rehearsal to practice and ask for help if needed
 - Taking care of equipment, uniforms, etc.
- Follow the appropriate dress code:
 - Work out shorts, capris, or leggings (we need to see your ankles and feet)
 - **NO jeans** or short shorts
 - All spaghetti strap shirts MUST be worn with a sports bra
 - Minimal to no jewelry (will need to be taken out or covered for performances)
 - Hair pulled back and out of face
 - Tennis shoes must be worn to every rehearsal
- Minimal talking in rehearsals; excessive talking could result in laps or push-ups
- No spinning when someone is talking
- Show respect to fellow members, staff, parents, and band members
- **Keep all non-guard related issues at the door. If a situation arises, please notify Kayla immediately.**

Safety

Color Guard can be a dangerous sport. All instructional practices are created to encourage and strengthen our members mentally and physically. If you have a preexisting injury, please notify us along with documentation from your doctor. If you are hurt during a rehearsal, please notify a director immediately. We will take the necessary actions needed to ensure the member does not increase the injury.

If you are feeling sick or experienced a recent injury, it is up to YOU on how much you participate. This is based on you knowing your limits and how much you can handle. Like mentioned before, this is a team sport where everyone holds themselves accountable. There is a difference between being hurt or sick and just giving up because you're tired, bored, etc. If you need a moment, inform a staff member, and take a few minutes.

Fees/Expenses

All members will have a responsibility of \$150 for the fall season. A \$50 retainer fee (nonrefundable) will be due May 28th, 2025 to assist with summer orders of uniforms, props, and shoes. This \$50 will go towards the \$150 band fee. Full band fee is to be paid by Friday, August 8th, 2025.
